

Mental Health Topic Advisory Group

Tasks

The Mental Health TAG reviews categories in ICD-10 relating to mental health and mental illness. The diseases within the scope of the Mental Health TAG are primarily located in Chapter 5 (Mental and Behavioural Disorders). The TAG also formulates definitions and diagnostic criteria for the relevant categories, and suggests changes to the classification structure.

Progress

TAG Mental Health was formed in January, 2007 to work on 11th Revision of the ICD. In 2009, new members were appointed to fill open positions and to meet specific needs prior to the group's most recent face-to-face meeting in September 2009. The TAG Mental Health will hold its next face-to-face meeting 21-23 June 2010 in Geneva, Switzerland.
